Year 2 Dance Festival Performance

Yesterday our Year 2 children performed their dance at Retford Oaks Academy as part of a Dance Festival attended by many other schools. They had been practising since being first shown the routine back in January and all their hard work definitely paid off as they put on a fantastic performance. Congratulations to them for representing our school so well and many thanks to the staff who have put in so much effort.

Neurodiversity Celebration Week - 16th - 20th March 2026

Please look out for a letter emailed out this week explaining how we will be celebrating Neurodiversity week and exploring what it means in ways that are accessible and engaging for children. We will be raising awareness, using specially designed school resources, and exploring these themes through collective worship and classroom activities. The letter also shares some information to support helpful conversations — not only during that week but also as ongoing discussions with children moving forward. Thank you for your support.
