Coffee Morning 25.06.25
@9am in the school hall

We are establishing a Special Educational Needs (SEN) Parent Support Group to create a supportive environment for families navigating the complexities of special educational needs. We understand that parenting a child with special educational needs can sometimes feel overwhelming and isolating. Our aim is to foster a community where parents can connect, share experiences, and access valuable information.

'Be the best you can be'

Kindness - Resilience - Hope

[Frozen Fridays](#)

Please join us in the playground for the ice cream sale every Friday until the end of term, all Ice creams will be £1 each. With the British weather being so unpredictable lately, we can't promise the sale every week but we will only cancel if it's raining!! Hope to see you in the playground on Fridays. Cash and card payment accepted.

All funds raised from these events will be used to enhance our children's learning and enjoyment at school. Currently, we are raising funds to upgrade the school library.

Thank you for your continued support!
